Notice

- Please read this assembly guide thoroughly and carefully before assembly
- Please ensure your assembly area is clear of any debris or sharp objects which could scratch or damage the cabinet.
- Our cabinets are treated with paint, which can be fire hazardous, please avoid storing in areas with high temperature or near the fire.
- Please take caution with small parts inside the package, losing or misplacing them could affect your overall assembly
- We recommend using power tools (ie: drill, pneumatic nail gun, etc) for your assembly. This will facilitate your assembly experience.
- In event of missing or damaged/defective parts not caused by wear-and-tear, please contact our authorized dealer for assistance and we apologize for any inconvenience.
- If you are not a professional or have no prior experience in cabinet assembly. We advise excessive caution and follow closely to this assembly guide.
